On Return

DEBARKATION – JULY 2011 THROUGH DECEMBER 2011

Shuttle buses will take cruise passengers **and** luggage back to the vehicle storage areas on the return date to port. Shuttle buses will travel to specific staging areas.

Individuals picking up returning passengers should meet them at the parking lots in front of the Passenger Terminal, 196 Concord Street. There is a section reserved for private vehicles.

Follow same general travel route directions as those for embarkation, but continue past the Union Pier Main Gate. Follow the street as it curves around to 196 Concord Street for debarkation parking and pickup areas.

Cabs and hotel/motel shuttle vans should REPORT TO the designated taxi staging area – located on Pritchard Street on the side of Port warehouses – Lot G/H . From that location transportation will be cued up and directed to Lot A for passenger loading. Transportation drivers should remain in their vehicles while in all staging areas at the cruise terminal and warehouse locations.

Group charter buses should identify themselves to a Port Police Officer on arrival. Charter buses will be staged in a location designated for tour buses, and moved forward at the appropriate time during debarkation activities.

All luggage must be off-loaded from the ship and cleared by U.S. Customs prior to passengers disembarking. It is estimated the first group of general category passengers will begin debarkation sometime between 8:00 a.m. and 8:30 a.m. in the mornings – JULY through DECEMBER 2011.

Passengers choosing the “self-assist” option may start debarkation earlier at approximately 7:00 a.m.

Debarkation times are estimates and depend on the vessel arriving on time and the completion of the U.S. Customs clearance activities.

Note: This bulletin is specific only to the July 1, 2011, through December 31, 2011, sailings of the CARNIVAL FANTASY.
